

MGA IPAPAGAWA:

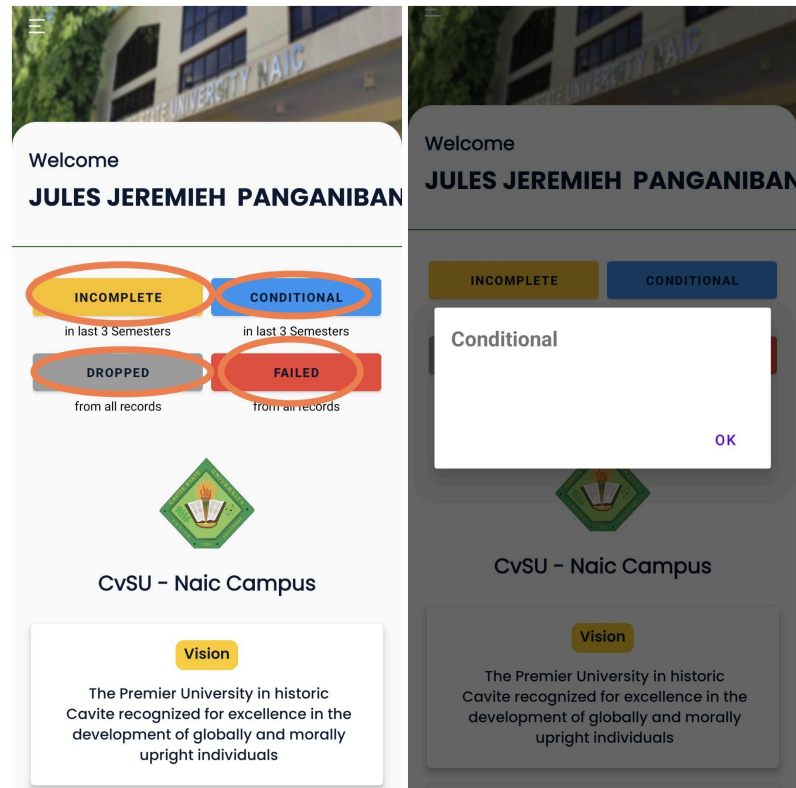

1.) Register

The screenshot shows a mobile application interface for a 'Student Portal'. At the top, it says 'CVSU-N: M-Kiosk'. Below that is the title 'Student Portal'. There are two tabs: 'Login' and 'Register', with 'Register' being the active tab. The form contains three input fields: 'Student Number', 'Password', and 'Confirm Password'. Each input field has a green eye icon to its right, indicating a toggle for password visibility. At the bottom of the form is a yellow button labeled 'Register'.

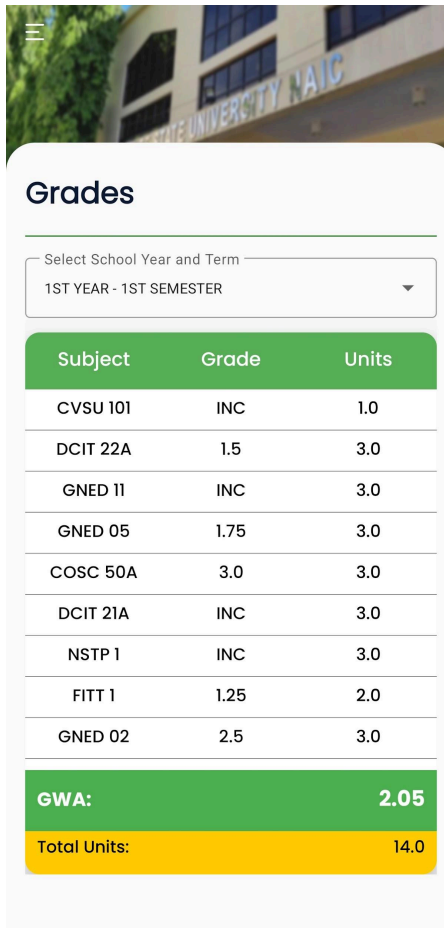

- Mag add ng Birthdate before password to avoid accidentally registering other student (May instances daw po kasi na mali nalalagay na student number ng isang student and minsan po yung typo na yon sa student number ay student number po ng iba so maling student po nareregister)
- Kaya po maglalagay ng birthdate before makapag register ang new student ay para po ma double check if tama po bang student number nilagay.
- (May birthdate na po sa database nasa studentinfo po)
- Add din po ng indication katulad ng "Account is registered already" kapag po na doble pag register. "Student Number doesn't exist" kapag po wala po sa database student number tapos "Registered Successfully" kapag po nakapag register.

2.) For the New Features in Home

- Para po sa mga naka oblong na apat, kapag po kasi pinindot yan ang ang student ay wala namang incomplete, conditional, dropped, and failed ay blank lang po nalabas, so magpapalagay po sana ng indication na “No Incomplete Subject”, “No Conditional Subject”, “No Dropped Subject”, and “No Failed Subject”.
- For Failed Subject naman po, kapag po ang INC or Conditional ay nag 1 year na or 2 semesters na po ang lumipas ay magiging automatic failed po.
- Kung may INC naman na subject, kapag po na complete na yung INC na yon ay dapat po mawala na siya sa Incomplete dyan po.

3.) For Markup Grades

Subject	Grade	Units
CVSU 101	INC	1.0
DCIT 22A	1.5	3.0
GNED 11	INC	3.0
GNED 05	1.75	3.0
COSC 50A	3.0	3.0
DCIT 21A	INC	3.0
NSTP 1	INC	3.0
FITT 1	1.25	2.0
GNED 02	2.5	3.0
GWA:		2.05
Total Units:		14.0

- Sa ngayon po kasi INC pa rin po naka display sa mga grades kahit po may markup grades na sila. Dapat po kapag na complete na nila yung INC nila ay mag didisplay po yung grade nila for that subject

- Halimbawa po yang kagaya sa mismong portal. Nag add po another column for completion
Grade: INC – Completion: 3.00

4.) Adding loading to screen

- Add daw po ng loading screen kapag nag loloading. Based po sa na ecnounter namin, nagkakaroon po kasi ng bug kapag paulit-ulit pinipindot sa grades and enrolled subjects.
- For example, paulit-ulit ko po pinindot ang 1st year 2nd semester grade kasi matagal po lumabas grades, ang nangyayare po kung apat na beses ko pinindot yon ay apat na beses din po uulit yung labas sa grades so ang 2.00 po na grade for ENGLISH ay nagiging 2.00 ENGLISH 2.00 ENGLISH 2.00 ENGLISH 2.00 ENGLISH sa listahan po

5.) Fixing the Student Handbook

Paumanhin, na-delete na ang hiniling
mong file.

Siguraduhing tama ang iyong URL at hindi ito na-
delete ng may-ari ng file.

Kumuha ng mga bagay-bagay na ginagamit sa Google Drive

Ginagawang mas madali ng Apps Script ang lumikha, mag-imbak at magbigay ng online na dokumento, spreadsheet, pagtatanghal at marami pa.

Matuto pa sa drive.google.com/

- Embedded po kasi yung Student Portal na nakalagay sa mobile app, so ang ginawa po ay account po ni Jane ginamit kaya po nung nag delete si Jane ay naging ganyan po.
- Ang gawin nalang po ay yung parang sa mismong portal nalang po namin. Yung mismong PDF nalang po.

6.) Update the SQL

- Ibibigay daw po kasi sa amin yung updated na SQL kaya po ipapa update din po sana namin yon.
